PERFORMER TIME REQUIREMENTS: Choreography starts in August 2023. Classes are on Wednesdays from 6:00-8:00 for the month of AUGUST only. August 2, 9, 16, 23, 30. Is your performer interested in a solo or duet part? If so, please express your interest to Miss Heather when signing up. Extra practices in August will be on Thursdays. During the school year, September-February, classes will be on Thursday nights (time tbd), with a practice during Christmas Break on Wednesday December 27 6:00-8:00pm.

At Disney, a bus will pick performers and instructor up at the hotel, we will go to a backstage practice area to prepare and do a final practice. We will then be bussed to Disney springs and will walk to the Waterside stage for our performance. Chaperones and families will get Disney transportation to the venue on their own. Performance time tba.

WHAT KIND OF DANCE IS IT AND WHAT IS THE COSTUME: It will be an upbeat jazz and hip-hop routine to a melody of "under the sea" type music. (Disney requires that we use their music) We will be performing for 15 minutes. We will have solo and duet opportunities available (inform Miss Heather if interested), but the entire group will be on stage for most of the routine. The routine will be multi age and multi-level but super FUN! The costume and shoes are pictured below. Hair will be required to be in a low bun. Make up will be required but only a light smokey eye and red glitter lips.

Heather's Dance Company - Dance At Disney Fund Raising Options

HDC Missions is the nonprofit company that we use for our Dance at Disney Team accounts. We are looking for a new Treasurer for the account. This person must be able to work with excel spreadsheets, be available to pick up money from the studio and deposit and withdraw from the bank as needed. To Volunteer, please notify Miss Heather.

All fundraisers are available to all performers but are not required to participate in. All fundraisers are parent lead but must be approved by Miss Heather.

All funds earned from the fundraisers will be deposited into the HDC Missions account and tracked per dancer and/or family. Each family will have a tab on the spreadsheet that tracks all the funds and accounts. Families will have read only access to the spreadsheet from the BAND app, where most of the fundraiser information will be shared.
